Rainbow Shooting range has its beginnings in the mid 1960’s when Captain Louis E. Duncan (USMC, Ret), realized his customers from the gun shop needed a safe, family friendly place to shoot.

Louis E. Duncan hails from Baltimore, MD. As a member of the Maryland National Guard Rifle Team, Lou shot in the National Matches at Camp Perry, Ohio in 1935. He subsequently joined the U.S. Marine Corps. As a Member of the U.S. 4th Marines, he was one of the famous China Marines, and later became a Japanese POW when the Philippine Island of Corregidor fell early in World War II.

Upon his return home after the war, he met and subsequently married another Marine, Sgt. Clara Kuchar. Shorty after the wedding, Gy. Sgt. Duncan reported for duty at Quantico, just in time for the Eastern Division Matches in May 1946. Firing a weapon for the first time since 1942 and the M1 for the first time in his life, the Gunny won a silver medal in the rifle finals and a bronze in the pistol finals.

The Marine Corps brought the growing family of five to Southern California in December 1950. During the Korean War, the Gunny was promoted to Lieutenant. Upon retiring from the USMC in 1957, mustang Captain Duncan devoted all of his time to building what would become Duncan’s Gunworks, Inc. while Clara was kept busy with their five children.

When the Captain passed away in 1995, Clara kept Rainbow Range operational. Today two of their children, Tom and Debby, carry on the legacy of L.E. Duncan’s Rainbow Shooting Club.
